

MENTORING at NAVAIR

CONNECTING PEOPLE AND DEVELOPING CAREERS

Mentoring is a reciprocal and collaborative partnership that most often occurs between an experienced person (mentor) and less experienced person (mentee) for the purpose of the mentee's growth, learning, and career development.

The NAVAIR Mentoring Program provides a flexible, dynamic, cross functional approach to forming mentoring partnerships. It provides a unique blend of mentoring solutions, which enables both mentor and mentee participants to capitalize on each other's experiences to gain a multitude of benefits.

Personal & Professional Development

With a personalized, 1-on-1 focus, you can expect faster and more sustainable personal growth and professional accomplishment.

Rewarding Connections & Expanded Network

By connecting with mentors, you will build meaningful personal and professional relationships that expand your network and pave the way for enhanced collaborations.

Career Confidence & Satisfaction

Through a mentor's guidance, support, and encouragement, you will gain confidence and satisfaction in your career.

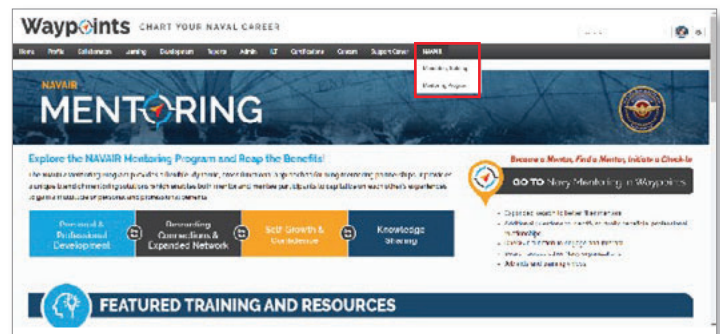

Wisdom & Knowledge Sharing

Access diverse perspectives and exchange experiences, information, and ideas with knowledgeable professionals that will help you perform at higher levels.
